Care Results

All promotions are custom created depending on the salon's needs and the promotion(s) or event involved. Promotions will be provided in .pdf and/or .jpg formats. Promotions to be printed by salon and may be used within the salon via sign holders, digital frames, Facebook, email marketing, or the salon website. Purple Pig Graphics will work with the SSC or the salon directly and will email proofs. It is ultimately the salon's responsibility to contact Allison at Purple Pig Graphics in a timely manner and to have promotion idea(s) ready to present for design. Promotion quantities do not carry over to the next period and will be forfeited if not done within the level period.

When you commit to a program, you may contact Purple Pig Graphics to begin work on your promotion(s). Promotions are completely customizable, so you may add any verbiage you like, and your salon logo. Keep in mind that there are certain image rights that manufacturers have in place and we will guide you through that process.

Select desired level below. We will charge your credit card at the first of the month for the low monthly membership fee. Either party can cancel the agreement with 30 days written notice.
